Our Philosophy

Every child has potential to success just he need proper motivation and education. Through one can teach student a lesson for a day: but if on can teach him to learn by creating curiosity, he will continue the learning process forever. For this we focus on the drawing out instead of the pumping in.

Our Mission

- To waken the genius in every student.
- To provide unmatched quality education in a safe stimulating caring environment so that student develop lively enquiring minds on order to excel in every sphere of their lives.
- To emphasize physical, intellectual, social, spiritual and moral development of every student.
- To Instill everlasting scientific temperament in in every student.
- To encourage students to learn and work both independently and cooperatively to develop an aura of self-confidence, self-discipline self-esteem that remain with them throughout their lives.
- Two foster family values, human values and the best of our heritage.
- To crop up respect, integrity, trust honesty and ethical behavior in every student.
- To inculcate patriotism and secularism.

Features

EVALUATION & FEEDBACK

Students progress seamlessly from the CBSE pattern in grades 1 to 8 to the Maharashtra State Board syllabus in grades 9 and 10. By integrating the CBSE pattern and Maharashtra State Board syllabus, we offer students the best of both worlds. They benefit from the structured and rigorous foundation provided by the CBSE pattern, followed by the practical and comprehensive approach of the Maharashtra State Board syllabus.

MENTAL ARITHMETIC ABILITY IMPROVEMENT

Abacus and Vedic Maths are both mathematical techniques or systems that are used for mental arithmetic and calculation. They are often taught to children as supplementary methods to enhance their mathematical skills and improve their ability to perform calculations quickly and accurately.

SCIENCE LAB

Gurukul has an extensive science lab which provides an experimental foundation for the concepts introduced. Students enhance their learning by doing varied experiments which kindle their interest visually and kinesthetically.

COMPUTER LAB

Computer classes in schools are important for well-rounded education. Students at Gurukul School are instructed on the basics of computer use as early as Class I. Educational software is presented in a game-like format to entertain the younger students while they learn key concepts.

LIBRARY, THE MIND GYM

Our school library stands as a beacon of intellectual exploration, offering a diverse collection of resources tailored to support the academic, cultural, and personal development of every student.

CLASSROOM BASED ACTIVITIES

Our classrooms are vibrant hubs of activity, fostering creativity, collaboration, and critical thinking. Through hands-on projects, group discussions, and tailored activities, students engage in holistic learning experiences that prepare them for success in both academics and life. Join us in shaping the future through dynamic classroom-based activities at Gurukul English Medium School.

ASSEMBLY COMPETITION.

We organize class assembly competitions to cultivate leadership and unity. Through spirited performances and creative presentations, students showcase their talents, build confidence, and collaborate with peers. By engaging in assemblies focused on current events, festivals, and community initiatives, our students develop a broader worldview, critical thinking skills, and a deeper appreciation for diversity and inclusion.

PTM - PARENTS TEACHER MEETING

We believe in the power of collaboration between parents and teachers to support the academic and personal development of our students. Our regular Parent-Teacher Meetings provide a valuable opportunity for open communication, sharing insights, and working together to ensure the success of every child.

COMPETITIVE EXAMS

With the aim of promoting English, Science, Mathematics & Computer Education, GURUKUL has been encouraging children to take up the

- NASO Olympiad Exams
- SOF Olympiad – IEO, IMO, NSO Scholarship Exams

SPORTING ENGAGEMENT

Our sports competitions fuel excitement and teamwork. Through thrilling matches and friendly tournaments, students showcase their skills, build camaraderie, and prioritize their well-being. Join us in celebrating athleticism and unity at Gurukul English Medium School.

PROFICIENT AND SEASONED EDUCATORS

Our teachers are more than just instructors; they are mentors, guides, and inspirations to our students. With years of experience under their belts, they bring a wealth of practical wisdom and insight to their teaching, creating dynamic and engaging learning environments where every student has the opportunity to thrive

Course Schedule

The course schedule for every academic year is well planned in advance, all the portion is covered nicely and patiently in the given time frame, sufficient time has been slotted for making revisions, doubt clearing sessions and examination are held on regular interval.

Educational Excursion

We recognize the profound impact that experiential learning can have on a student's educational journey. That's why we're thrilled to offer a variety of enriching trips and excursions that allow our students to explore, discover, and learn beyond the confines of the classroom.

Extra Curriculum

For the holistic development of the student, proper opportunities are provided to student. Annual and monthly activities are organized such as debate, drawing and craft etc.

Transportation

We understand the importance of reliable transportation in facilitating seamless access to education, and we are committed to providing a comfortable and secure journey from major places of our city.

E-spectrum
