NOTICE

Subject: Migration to New Class WhatsApp Groups

Dear Class Teachers,

All class teachers are requested to make an announcement in their respective classrooms regarding the new official class WhatsApp groups.

Please inform the students that:

- The school has created **new WhatsApp groups** for every class.
- The joining link has already been shared in the **existing (old) WhatsApp group**.
- Students should ensure that their parents have joined the **new WhatsApp group**.
- If any parent has not yet joined the new group, they should do so using the link, which will be **shared again today** in the old WhatsApp group.
- Kindly inform parents that the **old WhatsApp groups will be permanently deleted on Tuesday, 03/08/2025**. Therefore, it is essential for all parents to join the new group before the mentioned date.

All class teachers are requested to ensure that this message reaches every student and that parents complete the transition to the new WhatsApp group without delay.
